

# One World, Many Stories

## Summer Book Buddy Program

Sponsored by the Veedersburg Friends of the Library

408 N. Main Street, Veedersburg (3 blocks north of traffic lights downtown)

**PARENTS!** The Veedersburg Public Library has an exciting summer program theme **“One World, Many Stories”** for your child to join. Studies have shown that children who continue to read during the summer perform better in the fall when school resumes. The **summer reading program is FREE and beneficial** since it provides educational reading activities that are fun and appealing while your child earns incentives. The Book Buddy Program is a small part of the activities planned, but one that early readers love. Registration for the summer reading program will be Wednesday, June 1<sup>st</sup> at the Veedersburg Library. Look for details in the school bulletin. To plan the **Book Buddy program** we ask that you **sign up** for it **now** whether your child will be a reader or will be read to.
